

The Todenorden Religious Tract Depot
to the P. B. Church Newden Bridge

Dear Christian Brethren

At our last Committee
meeting when deliberating
on the best means of
getting Religious Tracts into
circulation it was agreed
"that we offer to the Baptist
Churches in the neighbourhood
the privilege of purchasing
our Tracts at cost price
i.e. 25 per cent below
the published price."

Our Stock includes the
Tracts of the Religious Tract
Society — the Baptist Tract
Society — Tracts of Society
— & the Day Star series of
Scotland.

We hope this will induce
you to make a purchase
& thus help us in getting
religious Tracts into circulation.
I remain Dear Mother
Yours as always
