Dear

On Sunday, 10th October, we shall be taking part in the Baptist Union's "Roots" Sunday. Briefly, this means that we are inviting all those who have had any contact with us at Hope to make the effort to come along for morning worship at 10-30am in order to renew friendship and to return to their roots

We are inviting not only existing members and friends, but past members, old Sunday School scholars, those who have been married at Hope, in fact all those who would say that their spiritual roots are at Hope Baptist Church. Members and friends from our closed Baptist Churches are also being invited to join us.

It is our hope that you will accept our invitation, and stay for a buffet lunch in the schoolroom following the service.

If you are planning to join us, it would help us with the catering to know of your acceptance, but please come anyway.

Looking forward to seeing you.

Every Blessing.

Rev. Stanley J. Kirby
