## Hope Baptist Chapel, Hebden Bridge.

Dear Friend,

It is my heart's desire to make my ministry more instructive and useful than ever it has been in the past. As one means to this end I purpose from time to time to deliver short series of connected Sermons, which may help to a better understanding of Bible teaching and Christian duty.

The first Series will be on "The Ten Commandments," and details of the Course will be found on the next page. These divine commandments are the bases of morality, and the foundation stones of all true society as well as of all individual and national greatness. A study of them will bring us again and again face to face with the stirring and perplexing problems of our time.

These Sermons will be delivered on Sunday evenings, because I desire to see a considerable addition in the Sunday evening congregation. I ask your aid. Will you

- (1) Keep a copy of this Notice in your Bible.
- (2) Hand a copy to some one person who is not attending a place of worship, with an invitation to accompany you to our chapel.
- (3) Cordially welcome any visitors you see in the Sanctuary.
- (4) Pray for God's blessings on every Service?

Wishing you a bright and happy new year,

I am, yours faithfully,

W. JONES.
