

## Rates & Payment

We aim to provide a variety of spaces for community groups and performances that are attractive, practical, characterful and affordable. Hire rates include heating and, in the chapel, ventilation, as well as access to the kitchen facilities and toilet area. A password for the free WiFi can also be provided to room users.

## Payment Arrangements

- Payments should, ideally, be made by direct bank transfer:  
'Hope Baptist Church' Sort Code 20-35-84 Account No 70512540
- For a one-off room hire, a 50% deposit is payable at the time of booking. The balance will be invoiced a week before the event.
- For a regular room hire, payment for the first booking is required one month beforehand, with further bookings invoiced monthly in advance.
- For ticketed performances in the chapel, consideration will be given to arrangements where revenue from ticket sales is used to cover venue costs, ahead of other event costs. A deposit is still required.
